PRICE BID

Sub: Establishing (Supplying, Installation, Testing & commissioning), Operating, Maintaining and Management of Electrical Vehicle Charging Stations along Yamuna Expressway on revenue sharing basis

Location	Unit	License Fee per kWh Rate of Revenue sharing in Rs. (Exclusive of GST)	
		(In figure)	(In words)
4 (Four) Locations along Yamuna Expressway as detailed in the Tender documents.	kWh	Rs.	Rupees

Note:

- a. Amount to be paid by the Licensee (successful bidder) to the Licensor (JIL) shall be by multiplying the above quoted rate (License fee per kWh) and the quantity based on the energy consumption (in kWh) of energy metering being installed for EV charging station as per revenue sharing basis, payable on 1st day of each month. Energy consumption shall be measured through the DISCOM provided energy meter.
- b. The above quoted rate shall be escalated at the same proportion by which the price of Service charge is increased (if any, after written consent from JIL) more than Maximum rates of Service Charges mentioned in the clause no 2 of preamble (VOL-II).
- c. However, the Licensee (successful bidder) is free to keep Service charge at any price below Maximum rates of Service Charges mentioned in the clause no 2 of preamble (VOL-II). In such case rate of License fee, payable to the Licensor (JIL), shall be fixed as quoted above.
- d. This above quoted rate shall be escalated at rate of 5% (Five Percent) per annum on compounding basis i.e., in the beginning of every anniversary starting after locking period of 5 years during the Agreement Period.
- e. Quoted rate is exclusive of GST, which shall be paid by the Licensee (successful bidder) to the Licensor (JIL) at prevailing rates.
